In the Matter of: Robert Kenneth Stewart

Prepared by: Detective Lieutenant C.D Ritter, Moore County Sheriff's Office

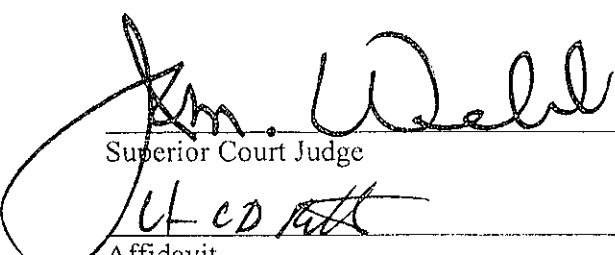

I am Detective Sergeant C. Darrin Ritter of the Moore County Sheriff's Department. I have been an officer in Law Enforcement since 1988, and have worked various positions in police work. I worked in the patrol division for approximately six and half years, four years of which I was a supervisor with the Aberdeen Police Department. During that time I made approximately 200 drugs arrests and assisted in at least one successful undercover campaign. I was Chief of Police for one and half years with the Pinebluff Police Department. I was a Detective with the Southern Pines Police Department for approximately three years two months. In January of 1998 I was assigned to Narcotic's Division with the Southern Pines Police Department. In October 2000, I started to work with the Moore County Sheriff's Department Patrol Division. During this time I patrolled the County of Moore. In December 2002 I was promoted to Detective Sergeant with the Sheriff's Department. I am currently assigned to the Narcotic Division. In January 2008 I was promoted to Lieutenant over the Narcotics Division at the Moore County Sheriff's Office. I supervise seven other Detective Sergeants in the Narcotic Division. During my career in Law Enforcement, I have received approximately 1200 hours of Law Enforcement training. I have attended several schools and seminars conducted by the North Carolina Justice Academy, United States Department of Justice, the State Bureau of Investigation and various Community Colleges in North Carolina. I have been involved in at least 3 homicide investigations.

On 3/29/2009 I received a call to assist in a homicide investigation at the Pine Lake Nursing Center on Pinehurst Ave. Carthage, NC. During the course of the investigation the suspect Robert Kenneth Stewart was arrested for murder. The investigation showed that Robert Kenneth Stewart went to Pine Lake Nursing Center and shot and killed eight victims and shot and wounded Carthage Police Officer and another victim.

During the investigation Robert Kenneth Stewart made a statement to a Registered Nurse at First Health Moore Regional Emergency Department as that he had taken 6 nerve pills and he ~~don't~~ remember anything else.

Does not *cor*

Through my training and experience I believe that Robert Kenneth Stewart's blood needs *cor* to be drawn to determine if there is any controlled substance in his body. I request that blood be drawn from Robert Kenneth Stewart to determine if there any controlled substance in his body.

IN THE MATTER OF: 2530 Glendon Carthage Rd. Carthage NC 28327

SEARCH WARRANT AFFIDAVIT PREPARED BY: Detective G.K. Dennis
On March 29, 2009

I, George Kipling Dennis, am a Detective with the Moore County Sheriff's Office. I have been a sworn Deputy since July of 1999. Prior to joining the Sheriff's Office I was a patrol officer for two and a half years with the Southern Pines Police Department. During my employment as a law enforcement officer, I have received over 500 hours of law enforcement training. I have a Bachelor of Science degree in Criminal Justice from Appalachian State University and I have obtained my Advanced Certificate in law enforcement issued by the Sheriff's Training and Standards Commission of North Carolina. I have been personally involved in the investigation of more than 500 violations of the North Carolina Controlled Substance Act. I have been personally involved in more than 300 criminal investigations.

On Sunday March 29th, 2009 Officer Justin Garner of the Carthage Police Department responded to Pine Lake Health and Rehabilitation at 801 Pinehurst Avenue in Carthage after receiving a report of a shooting. Officer Garner engaged the shooting suspect, later identified as Robert Kenneth Stewart, and wounded the suspect. Officer Garner was also wounded by the suspect. Robert Kenneth Stewart was placed into custody and transported to First health of the Carolina's for medical attention. An investigation discovered that several people were shot by Robert Kenneth Stewart and that eight individuals died as a result of gunshots.

On Sunday March 29th, 2009 I spoke with Sgt. Bryan Monroe of the Moore County Sheriff's Office. Sgt. Monroe stated that he and other deputies from the Sheriff's Office made a forcible entry into the Robert Kenneth Stewart's residence located at 2530 Glendon Carthage Rd to check for any additional victims. Sgt. Monroe advised me that there no one was located inside the residence after officers conducted a safety sweep of the residence. Sgt. Monroe advised me that there was ammunition in plain view on the kitchen table and also on a bed in one of the bedrooms. Sgt. Monroe advised that the officers exited the residence and maintained a presence around same to prevent entry. Sgt. Monroe described the residence and directions to the residence as follows: from Carthage, travel on Glendon Carthage Road towards Glendon. At the intersection of Glendon Carthage Road and Carbonton Road, bear left onto Glendon Carthage Road towards Siler City.

Travel approximately one mile on Glendon Carthage Road and there will be a driveway on the left with a post and mailbox that both have the numbers "2530" posted on them. Turn into the driveway and the residence is approximately .3 miles from the road. There are no other residences on this driveway. The residence is described as a white with green stripe double wide mobile home with green shutters.

As a result of the above information and the training that I have received in criminal investigations, I believe that firearm ammunition, firearms, notes, and any and all evidence located within the residence located at 2530 Glendon Carthage Road constitutes evidence of the crime of murder.

After the suspect, Robert Kenneth Stewart, exited the driver side of the black vehicle the witness Darlene Harris observed the suspect, Robert Kenneth Stewart, walk over to the passenger side of the black vehicle and open the passenger side door and remove a firearm prior to entering the front entrance of the Pinelake Health and Rehab. The black vehicle was later identified by investigators of the Moore County Sheriff's Office as a 1998 Jeep Cherokee, North Carolina Registration '____'. Moore County Sheriff's Office investigators also found a 22 caliber rifle on top of the black 1998 Jeep Cherokee, North Carolina Registration _____

Investigators of the Moore County Sheriff's Office also located several spent bullet casing on the parking lot around the black 1998 Jeep Cherokee, North Carolina registration TSH8015. The black Jeep Cherokee displaying NC registration was determined to be registered to the suspect's wife, Wanda Gay Stewart.

Based on the above listed facts and through my experience and investigation, I believe the 1998 Jeep Cherokee, North Carolina Registration _____, registered to the suspect's wife, Wanda Gay Stewart, was being used by the suspect, Robert Kenneth Stewart to keep firearms, ammunition and other evidence related to the murders that occurred at the Pinelake Health and Rehab located at 801 Pine Street, Carthage, NC.
